

MOBILIZED MEDICAL MISSIONARIES

AMBASSADORS

May 9 – 26, 2012

A NEW CHAPTER IN EVANGELISM:

Imagine an approach to evangelism that is comprehensive and all-inclusive. Imagine an approach that focuses on meeting a person's needs, struggles, and pains - transforming the way evangelism is conducted. Imagine an approach that unlocks the sharing potential of the gospel.

Army of Youth Ministries presents *Ambassadors: Mobilized Medical Missionaries*, an exciting, practical training conference that will not only teach you how you can use health as an entering wedge for the gospel, but will also empower you to effectively share the gospel with others.

You will learn how to reach hundreds of souls through subjects such as the following:

- ✓ Hydrotherapy
- ✓ Medicinal plants
- ✓ Personal evangelism
- ✓ How to give Bible studies
- ✓ Grief and family counseling
- ✓ How to effectively mobilize your local church
- ✓ Field practicums with local churches and communities
- ✓ And much more!

Teachers Include the following:

- Dr. David DeRose, MD, MPH, Physician at NEWSTART® Clinic
- Dr. Leroy Moore, PhD, Weimar College Religion Department
- Dr. Daniel Binus, MD, Beautiful Minds Medical
- Derrick Hall, author of *The Witnessing Church*

Would you like to labor as Christ labored, meet people's needs as Christ met them, and lead souls to the precious gift of salvation through Jesus? Become a mobilized medical missionary - an ambassador for Christ!
